Dubrovnik - The medieval beauty

Friday to Sunday, 20 - 22 January 2012

Stone is the ruler of the stairs, squares and streets; it boldly enters into the houses, churches and gardens. It impresses its mark on the whiteness of centuries of architecture. The clearest sea of the southern Adriatic (according to J.J. Cousteau) and experts well informed in all the possible activities to take in its wonders offer vast possibilities for visitors desiring a close encounter with the sea. Excellent congress programmes and a very long experience make Dubrovnik the major Croatian congress destination.

The Mediterranean way of living where the history pulsates briskly with the dynamic reality. Since the medieval Dubrovnik Republic time the town took care of the pleasant stay of diplomats, guests and foreign visitors.
