Montenegro - The pearl of the Mediterranean

Friday to Sunday, 20 - 22 January 2012

The romantic Lord Byron wrote two hundred years ago: "The most beautiful contact between the earth and sea took place at the Montenegrin littoral." There is nowhere else that you can find, in such a small place, so much natural wealth, beauty, mild beaches, clear lakes, fast rivers and gorgeous mountains.

A country on the Adriatic coast of tremendous diversity offering lakes, mountains, beaches, canyons and walled towns all within a day's drive! With its "wild beauty" Montenegro has experienced a significant growth of new hotel development and improved infrastructure. In the morning you can wake up along the beautiful Adriatic coast, have lunch on the banks of Skadar Lake, and enjoy the evening walks in the Montenegrin Mountains. Montenegro is a place that cannot leave you indifferent.
